

KULA FOR KARMA

Discover the Heart of
Therapeutic Yoga

December 9, 2017

To Whom It May Concern:

My name is Loretta Turner and I oversee all of the Kula for Karma national yoga programs. Kula for Karma offers yoga and meditation services free of cost to populations in need through a network of professional yoga instructors. I am pleased to write this letter on behalf of Susan Spangler.

Our organization is based primarily in New Jersey, thus the success of our national programs is highly dependent on the community of yoga instructors hired in each region. Susan has been an essential member of our team that supports our Yoga for First Responders program in the Maryland area. I can confidently say that our program wouldn't run as smoothly as they do without Susan's support, experience and insight. She is an excellent ambassador and leader; she reports feedback and concerns to us in a timely and professional manner. She is innovative, communicative, kind, and patient. She is passionate about supporting those in need, as well as making sure it's done efficiently.

I can rely on Susan to always paint a clear picture of what our program needs to succeed. We are incredibly grateful to have her on our team, and I highly recommend that she be considered for future employment. Please do not hesitate to reach out if you have any questions.

Sincerely,

Loretta Turner
